

Nearing The End Of The Year,

2005-12-31 23:11:21 by opp

Hello everyone

It's New Years Eve, and a new year approaching.

A lot of people make promises, few of them keep them.

I don't make any promises, because I know I won't keep them...

But okay,

First of all i wanna thank u for being a visitor of this site,

It sure has been an active year hasnt it?

I mean, with now almost 1,880 site-members its a hell of a job to satisfied u all.

Some of u are only coming for downloads, some of u for tech support. others just for the fun on the forum, etc etc

Some only once, some every day.

Also we published our new theme,

Publish some new php blocks,

Have some website crashes, so we change our server-isp.

Afterall, it was also for the webmasters a busy year.

We hope that we can satisfied u all again in the next year.

You are always welcome on our site.

The «TDI» team wish u all a great and respectfull 2006

Peace and Respect to u all
