

Update

2006-02-08 20:11:05 by opp

The TDI-staff has decided after an assembly yesterday the following things:

Nighthawk & Dragon shall be removed from the squad,
Because of long absence, and totally no reaction on contact attempts by the staff. We just sharpen some rules.

Saxon is no longer a recruit, he's go a promotion to full-member, gj m8.
