2006-11-27 21:35:37 by Opp

Its time to bring you some sad news Hittman has left TDI,it's a shame to lose such a good player.

The reason he left TDI shall stay in the squad, and wil be not taken public.

We would thank him for his effort all the time he was playing under the TDI tags.

We lost a great player, but not a friend.

we keep in touch, even he has stopped BHD So dont look wierd if u see him on our Teamspeak..

He is still a part of the TDI history, and shall be never forget.

be proud...be IMMORTAL!
